

### CURRENT AFFAIRS MAY QUESTIONS 2018

1. On 1st May 2018, Chhattisgarh Chief Minister Raman Singh and union minister of state for railways Ranjan Gohain flagged off \_\_\_\_\_, which began its service from Raipur, Chhattisgarh on its first day?

- (a) Ayodhya Express (b) Antyodaya Express  
(c) Amaravati Express (d) Bhatinda Express  
(e) None of these

Answer - (b) Antyodaya Express Explanation: Antyodaya Express began its service from Raipur, Chhattisgarh on its first day. It is a fully unreserved, well-equipped weekly train between Durg and Firozpur Cantt. The train features modern coaches, RO drinking water, mobile charging facilities, bio-toilets, LED lights etc.

2. Who is the Indian Information Services (IIS) officer who took over as the Director General of Press Information Bureau (PIB), on May 1, 2018?

- (a) Subash Chandra Garg (b) Sitanshu Ranjan Kar  
(c) Rajeev Kumar (d) Bijoy Mathew  
(e) None of these

Answer - (b) Sitanshu Ranjan Kar Explanation: Sitanshu Ranjan Kar is a 1983-batch IIS officer, who has served at key positions in various media units of the Ministry of Information and Broadcasting viz. All India Radio (AIR) and Doordarshan. He joined PIB in 2003. He succeeds Frank Noronha (superannuated on April 30, 2018) as the Director General of Press Information Bureau (PIB). In 1988, Sitanshu Ranjan Kar became the first Indian to win the prestigious Visnews Fellowship of London, under which, he travelled throughout Europe and North America to experience cutting-edge technologies being used in television news production by leading broadcasters.

3. Name the Indian who won a silver medal in the 10m air pistol event of the ISSF World Cup Stage 2?

- (a) Amitav Ghosh (b) Shahzar Rizvi  
(c) Jitu Rai (d) Ananth Kumar  
(e) None of these

Answer - (b) Shahzar Rizvi Explanation: Shahzar Rizvi won India's first medal at the ISSF World Cup Stage 2. He won a silver medal in the 10m air pistol event. He scored 239.8. Russia's Artem Chernousov won the gold medal with a final score of 240. Bronze medal was won by Bulgaria's Samuil Donkov whose total score was 217.1.

4. Name the former Finance minister of West Bengal \_\_\_\_\_ who passed away after suffering from respiratory problems, at a hospital in Kolkata?

- (a) Ashok Mitra (b) Ashok Mittal  
(c) Ravinder Singh (d) Ajay Kumar  
(e) None of these

Answer - (a) Ashok Mitra Explanation: Ashok Mitra was 90 years old. He has written a few books. He is an eminent economist. He had written columns in newspapers on social and economic issues. He was the Finance minister of West Bengal from 1977 to 1987. He was the Chief Economic Adviser to the Central Government from 1970 to 1972.

5. Which state became the first state of India to provide digitally-signed land record receipts (also known as 7/12 receipts) on 2nd May 2018?

- (a) Tamil Nadu (b) Madhya Pradesh  
(c) Maharashtra (d) Gujarat  
(e) None of these

Answer - (c) Maharashtra Explanation: 7/12 receipt is the most important document which establishes the ownership of the land. Farmers are required to provide it while applying for loans. Besides, it is also used by the government during crop surveys and to extend various facilities. With digital authentication, the farmers will no longer have to visit revenue offices or the Maha e-seva centres. They would simply be required to quote the gat (group) number or survey number to bank or a government department, through which respective agency can ensure the 7/12 receipt online. Maharashtra Chief Minister Devendra Fadnavis claimed that this initiative will enhance 'ease of doing business', would check irregularities and bring in transparency.

6. The Union Cabinet chaired by Prime Minister Narendra Modi approved the continuation of Pradhan Mantri Swasthya Suraksha Yojana (PMSSY) beyond 12th Five Year Plan for a period 2017-18 to \_\_\_\_\_ with a cost of Rs. 14,832 crores?

- (a) 2020-21 (b) 2019-20  
(c) 2022-23 (d) 2018-19  
(e) None of these

Answer - (b) 2019-20 Explanation: Union Health Minister J P Nadda, said that PMSSY aims to correct regional imbalances in the availability of affordable tertiary healthcare services and to expand facilities for quality medical education in India. He said that, the same number of posts will be created for a 960 bedded hospital for the new AIIMS that are set up through PMSSY. He added that each new AIIMS will add 100 UG (MBBS) and 60 B.Sc (Nursing) seats, 15-20 Super Specialty Departments and 750 hospital beds.

**7. Which rank does India occupy in the world level list of military spending as per a report released by Stockholm International Peace Research Institute (SIPRI) on 2nd May 2018?**

- (a) 5 (b) 4 (c) 2 (d) 1  
(e) None of these

Answer - (a) 5 Explanation: As per the SIPRI report, New Delhi's defence spending increased by 5.5 percent to \$63.9 billion in 2017. Now it has surpassed France. Worldwide military spending increased to \$ 1.73 trillion in 2017, which is nearly 2.2 percent of global gross domestic product. The list of the world's biggest military spenders is dominated by the US and China, which spent \$610 billion and \$228 billion respectively.

**8. Who has been appointed as Chairman of Insurance Regulatory and Development Authority of India (IRDAI)?**

- (a) T S Vijayan  
(b) Subhash Chandra Khuntia  
(c) Amritanshu Agrawal  
(d) Vijay Bhaskar  
(e) None of these

Answer - (b) Subhash Chandra Khuntia Explanation: Subhash Chandra Khuntia is 1981-batch Karnataka-cadre Indian Administrative Services (IAS) officer. He has held positions in Hindustan Petroleum Corporation (HPCL) and Indian Oil Corporation (IOC) and has also served as Special Secretary and Financial Advisor in the Ministry of Petroleum and Natural Gas. Answer - (a) Parashuram Explanation: The Dakota DC-3 VP 905 was formally inducted into the IAF. At the ceremony a key was received by the Chief of Air Staff Air Marshal B S Dhanoa from Air Commodore (retd) M K Chandrasekhar. M K Chandrasekhar's son and Rajya Sabha MP Rajeev Chandrasekhar bought the aircraft from scrap and restored it in the UK. Dakota was accepted by the Chief of Air Staff from the Rajya Sabha MP Rajeev Chandrasekhar on 13 February 2018. The restored Dakota has been renamed as 'Parashuram'. It will join the 'Vintage Fly' of one each of Tiger Moth and Howard developed at Hindan air force station. The aircraft started from the UK on 17th April 2018 to India with the crew of IAF and Reflight Airworks.

**21. Name the spacecraft launched by NASA aboard an Atlas V rocket to study "Marsquakes", from Vandenberg Air Force Base in California, United States, on 5th May 2018?**

- (a) InTouch (b) Marsee  
(c) InSight (d) InOrbit  
(e) None of these

Answer - (c) InSight Explanation: InSight has been designed to stay on the surface of Mars and listen to "Marsquakes". The project costs \$993 million. The US spent \$813.8 million on the spacecraft and rocket launch. France and Germany spent \$180 million on the instruments. A pair of mini-spacecraft named Mars Cube One, or MarCO are also launching on the rocket. It cost NASA \$18.5 million. The MarCO are briefcase-sized satellites. They will fly on their own path to Mars behind InSight. They will test tiny new deep space communications equipment. InSight aims to explore interior conditions on Mars, inform efforts to send human explorers to Mars, find out how rocky planets like Earth formed, etc. InSight is expected to settle on Mars on 26th November 2018. InSight is the short form for Interior Exploration using Seismic Investigations, Geodesy and Heat Transport.

**22. Justice C.K Prasad, Press Council of India Chairman mentioned RWB's annual report has "lack of clarity". As per the Press Freedom Index released by Reporters Without Borders' (RWB) on April 25, India secured \_\_\_\_ rank in 2018?**

- (a) 133 (b) 135 (c) 148 (d) 138  
(e) None of these

Answer - (d) 138 Explanation: The parameters include the level of pluralism, media independence, environment and self-censorship, legal framework, transparency, and the quality of the infrastructure that supports the production of news and information. Mr. Prasad said the PCI had written to the RWB a number of times since 2015 to understand how the index was prepared, but hadn't received any reply. "If the ranking is on the basis of statistical data, the council requests you to share it with us, so as to enable us to take remedial measures as it deems proper.

**23. When did Department of Science & Technology (DST) celebrate its foundation day?**

- (a) May 2 (b) May 3 (c) May 4 (d) May 5  
(e) None of these

Answer - (b) May 3 Explanation: DST is one of the three departments of Ministry of Science & Technology. It was set up on 3rd May 1971. Its objective is to explore and develop new areas of science and technology, to strengthen national Science & Technology capacity, cutting across institutions and disciplines. Union Minister for Science & Technology and Earth Sciences Dr. Harsh Vardhan, laid the foundation stone of New State of Art Building of DST on 3rd May 2018 in New Delhi. Dr Harsh Vardhan said that, construction of the new building is expected to be completed by 3rd May 2021. DST had entered into a MoU with IRCON Infrastructure & Services LTD for the new building. **24. On 4th May 2018, Reserve Bank of India (RBI) announced that, it will buy \_\_\_\_ of government bonds through open market operation (OMO)?**

- (a) Rs 10,000 crore (b) Rs 20,000 crore  
(c) Rs 30,000 crore (d) Rs 40,000 crore  
(e) None of these

Answer - (a) Rs 10,000 crore Explanation: RBI made this decision after failing to sell all the debt it had offered to bidders. It was the third consecutive week when the RBI couldn't sell everything on offer which led to a spike in bond yields. RBI said that, the decision is based on an assessment of prevailing liquidity conditions and also of the durable liquidity needs going forward. This will infuse more liquidity into the system against the backdrop of persistently high bond yields. The 10-year government bond yield increased to 7.75 percent from 7.74 percent before the auction result was announced. It had ended at 7.73 percent on 3rd May 2018.

**25. On 7th May 2018, Government of India signed a loan deal worth \$ 200 million with \_\_\_\_ for the National Nutrition Mission (POSHAN Abhiyaan)?**

- (a) Asian Development Bank  
(b) State Bank of India  
(c) World Bank  
(d) European Investment Bank

(e) None of these

Answer - (c) World Bank Explanation: This loan will help India to reach its goal of reducing stunting in children of the age 0-6 years from 38.4% to 25% by 2022. The POSHAN (PM's Overarching Scheme for Holistic Nourishment) Abhiyaan was launched by Prime Minister on 8th March 2018 at Jhunjhunu, Rajasthan. POSHAN Abhiyaan's main objective is gradual increase of the interventions supported by the World Bank assisted Integrated Child Development Services (ICDS) Systems Strengthening and Nutrition Improvement Project (ISSNIP) to all districts in India for a 3-year period. This loan will support the first phase scale up to 315 districts and union territories (UTs) in India. The coverage and quality of ICDS nutrition services for pregnant and lactating women and children under 3 years of age will be improved.

**26. On 6th May 2018, India finished on top with how many gold medals, at the 3rd South Asian Junior Athletics Championships (SAJAC) at Sugathadasa Stadium in Colombo, Sri Lanka?**

- (a) 15            (b) 20            (c) 10            (d) 17  
(e) None of these

Answer - (b) 20 Explanation: On 6th May 2018, India finished on top with 20 gold, 22 silver and 8 bronze medals, at the 3rd South Asian Junior Athletics Championships (SAJAC) at Sugathadasa Stadium in Colombo, Sri Lanka. Host Sri Lanka won 12 gold medals 10 silver and 19 bronze medals and occupied 2nd place. Pakistan won 1 silver and 1 bronze medal and secured the third place. The Indian junior athletes also created five new meet records (NMR) on the final day of the championships. In girls triple jump, Priyadarshini Suresh won the gold medal with new meet records (NMR) of 12.90m.

**27. On May 8, 2018, which State Government launched India's first Integrated Control and Command Centre (ICCC) for all seven smart cities of the state?**

- (a) Maharashtra            (b) Karnataka  
(c) Madhya Pradesh            (d) Andhra Pradesh  
(e) None of these

Answer - (c) Madhya Pradesh Explanation: The centre was inaugurated by Madhya Pradesh Chief Minister Shivraj Singh Chouhan and Minister of State for Housing and Urban Affairs, Hardeep Singh Puri. The ICCC will enable State authorities to monitor the status of various smart civic amenities in real-time through the sensors connected to it. ICCC is a cloud-based Universal Internet of Things (UIoT) platform. It has been developed by Hewlett Packard Enterprise (HPE). Cities of Madhya Pradesh that have been selected under Smart Cities Mission are Bhopal, Indore, Ujjain, Gwalior, Jabalpur, Satna, and Sagar.

**28. On 8th May 2018, Hardeep Puri, Minister of State (I/C) for Housing & Urban Affairs inaugurated the 'First Apex Conference for the CEOs of Smart Cities' in \_\_\_?**

- (a) Bhopal, Madhya Pradesh  
(b) Bengaluru, Karnataka  
(c) Hyderabad, Telangana

(d) Chennai, Tamil Nadu

(e) None of these

Answer - (a) Bhopal, Madhya Pradesh Explanation: The conference is held for 2 days till 9th May 2018. It is organized for offering a platform for cross learning and knowledge sharing among the Smart City CEOs. The conference will let the CEOs learn from the experiences of all city leaders. The plenary sessions will have panel discussions and presentations by Smart City CEOs. It will focus on high impact projects. The way forward for the city level project implementation will also be discussed. An exhibition displaying various projects undertaken by Cities under Smart Cities Mission is held. This Conference also offers an opportunity for the Smart City CEOs to visit and appreciate smart city projects implemented by Bhopal Smart City Limited.

**29. What is the position of India globally in the business optimism index for the first quarter of 2018, as per Grant Thornton's quarterly global business survey released on May 8, 2018?**

- (a) 5            (b) 4            (c) 1            (d) 6  
(e) None of these

Answer - (d) 6 Explanation: The survey findings also revealed that Indian businesses consider red tape, availability of skilled workforce, lack of information communication and technology (ICT) infrastructure and shortage of finance as biggest constraints to growth. Biz Optimism Index – Top 5: 1 Austria 2 Finland 3 Indonesia 4 Netherlands 5 US

**30. Where will the 2018 World Robot Conference be held from 15th to 19th August 2018?**

- (a) Beijing            (b) Tokyo  
(c) New Delhi            (d) Dublin  
(e) None of these

Answer - (a) Beijing Explanation: More than 12,000 teams and 50,000 participants from over 10 countries and regions will participate in the conference. A robot competition will be conducted during the conference. Participants will compete in five categories in this competition. This conference will enhance passion and innovation in the robot industry and help to improve research and development.

**31. Name Google's IoT platform that was launched recently?**

- (a) Android Technicals            (b) Android Things  
(c) Google Components            (d) Google Jigsaw  
(e) None of these

Answer - (b) Android Things Explanation: Android Things is for developers who want to build connected devices. Android Things offers hardware and software developers all the necessary SDKs (software development kit) to build all types of IoT devices. Google has partnered with various hardware manufacturers to provide developer kits. It also offers a developer console that enables managing devices and pushing over-the-air updates to both prototype and production devices.

**32. On 10th May 2018, NITI Aayog will announce the top 30 innovations of \_\_\_ in Delhi?**

- (a) Atal Tinkering Marathon
- (b) Atal Technical Marathon
- (c) Atal Trade Marathon
- (d) Atal Science Marathon
- (e) None of these

Answer - (a) Atal Tinkering Marathon Explanation: Atal Tinkering Labs of the Atal Innovation Mission (AIM) of NITI Aayog, organized an Atal Tinkering Marathon, a six month long national level challenge. It was conducted in six thematic areas: clean energy, water resources, waste management, healthcare, smart mobility and agri-tech. From more than 650 innovations received, top 30 innovations have been selected from various States and Union territories of India. These Top 30 innovations and their prizes will be announced by Rajiv Kumar, Vice-Chairman, NITI Aayog.

**33. On May 9, 2018, where did Union Minister for Civil Aviation, Suresh Prabhu inaugurate the 6th US-India Aviation Summit?**

- (a) Mumbai
- (b) New Delhi
- (c) Cochin
- (d) Hyderabad
- (e) None of these

Answer - (a) Mumbai Explanation: This three-day Summit is being jointly organised by Union Ministry of Civil Aviation and US Trade and Development Agency (USTDA). The Summit will serve as a platform for Indian civil aviation agencies and aviation industry representatives, including private sector airlines and airport operators, to identify advanced US technologies and practices, that can support their expansion and modernization efforts. Various sessions focusing on India's projected aviation growth in next five years, aviation and runway safety, aviation security, technologies for worldwide airspace management and regional connectivity will be held during the course of this summit. India's civil aviation sector is slated to be third largest market globally by 2020 and, potentially, the largest by 2030.

**34. Union Ministry of New and Renewable Energy (MNRE) has stated that India's installed clean energy capacity has already touched how many GW as per data compiled on March 31, 2018?**

- (a) 70 GW
- (b) 35 GW
- (c) 45 GW
- (d) 710 GW
- (e) None of these

Answer - (a) 70 GW Explanation: MNRE stated that that renewable energy capacity of 11788 MW was added during last fiscal, which is the highest ever in a single year. The ministry also added that 100 billion units of electricity was generated through renewables during last fiscal, which also is the highest ever so far. As per data compiled till March 31, 2018, 38 GW clean energy capacity is under implementation. On account of fast progress in the areas of renewable energy, Power and New & Renewable Energy Minister R K Singh has reaffirmed government's commitment to meet target of having 175 GW by 2022.

**35. On 9th May 2018, the SCO Tourism Ministers' conference was held in \_\_\_\_?**

- (a) Beijing, China
- (b) New Delhi, India
- (c) Shanghai, China
- (d) Wuhan, China

- (e) None of these

Answer - (d) Wuhan, China Explanation: This is the first tourism ministerial meeting between member countries of the Shanghai Cooperation Organization (SCO). Minister of State (Independent Charge) for Tourism and Minister of State for Electronics and Information Technology, India, K. J. Alphons represented India at the conference. Tourism ministers of member states of SCO deliberated on travel product development, tourist security and research on high-tech tourism management to develop a smart tourism system. An action plan for tourism cooperation between SCO member states from 2019 to 2020 was approved at the conference.

**36. Vice President of India and the Chairman of the Rajya Sabha, Venkaiah Naidu has constituted a 2-member committee to review rules of procedure and conduct of business in Rajya Sabha. Who is the head of the committee?**

- (a) V.K. Agnihotri
- (b) Anil Lamba
- (c) Sunil Mehta
- (d) Prakash Chabra
- (e) None of these

Answer - (a) V.K. Agnihotri Explanation: The two-member committee will be headed by V.K. Agnihotri - Former Rajya Sabha Secretary General, while the other member will be S.R. Dhaleta - Former Joint Secretary in the Union Ministry of Law and Justice. Although the committee will review the rules of procedure for conduct of business as a whole, it will focus on provisions, which seem inadequate vis-a-vis rules in Lok Sabha. It is to be noted that this committee has been formed in wake of repetitive disruptions witnessed in both the houses during the recent budget session. The committee has been asked to submit its report to Chairman of Rajya Sabha in three months.

**37. India's longest road and railway bridge "Bogibeel bridge" is expected to be inaugurated in 2018 by Prime Minister Narendra Modi. It links Dibrugarh in Assam to Pasighat in which state?**

- (a) Bihar
- (b) Himachal Pradesh
- (c) Arunachal Pradesh
- (d) Meghalaya
- (e) None of these

Answer - (c) Arunachal Pradesh Explanation: Civil work related to the Bogibeel bridge will be finished by July 2018. Two more months will be taken to complete electrical and signalling work. The bridge is 4.94 km long. This is said to be the second longest bridge of this kind in Asia. It has three lane roads on top and double line rail below. The bridge is 32 metres above the water level of the Brahmaputra River. This bridge will solve logistical issues for armed forces stationed at the China border to receive supplies from Tezpur.

**38. Name Australia's oldest scientist who ended his own life at a clinic in Switzerland, on 10th May 2018?**

- (a) Andrew Hillman
- (b) David Goodall
- (c) Sigmund Dyre
- (d) Antony Gill
- (e) None of these

Answer - (b) David Goodall Explanation: David Goodall was 104 years old. He was assisted to end his life by Exit International, a right-to-die organization. David Goodall was not terminally ill but his health had deteriorated in the recent past and he chose to end his life because he felt that his quality of life had deteriorated in the past 5 to 10 years. He was a botanist and ecologist. As Euthanasia and assisted dying are banned in Australia, he chose Switzerland to end his life.

**39. On May 11, 2018, Supreme Court of India approved "Compensation Scheme for Women Victims/Survivors of Sexual Assault/other crimes". A compensation fund will be set up and it would be managed by \_\_\_?**

- (a) State Legal Services Authority (SLSA)
- (b) State governments
- (c) Central governments
- (d) High Courts
- (e) None of these

Answer - (a) State Legal Services Authority (SLSA) Explanation: Under the scheme, a compensation fund will be set up and it would be managed by State Legal Services Authority(SLSA). Compensation for gangrape victim will be in the range of Rs 5 lakh to Rs. 10 lakh, minimum compensation of Rs. 4 lakh is to be paid in case of rape or unnatural sexual assault while for acid attack victims minimum compensation will be Rs 7 lakh for total disfigurement and Rs 5 lakh in case of 50% burns. Most important feature of the scheme is that, grant of monetary relief is not linked with the trial in such cases and the victim can approach the State or District Legal Services Authority for compensation immediately after the incident.

**40. As per Credit rating agency Fitch, Indian economy is projected to grow at \_\_\_ percent in current fiscal i.e. 2018-19 and \_\_\_ percent in next fiscal?**

- (a) 7.3, 7.6
- (b) 7.3, 7.5
- (c) 7.4, 7.8
- (d) 7.5, 7.7
- (e) None of these

Answer - (b) 7.3, 7.5 Explanation: The above projection has been made in Fitch's second-quarter Sovereign Credit Overview for Asia Pacific region. Fitch has outlined that India's economic growth is likely to accelerate as money supply has recovered to its pre-demonetisation level (pre-November 2016) and disruptions related to the rollout of the Goods and Services Tax (GST), in July 2017 have diminished. Besides, implementation and continued broadening of the government's structural-reform agenda will lead to a gradual improvement in country's business environment.

**41. On 11th May 2018, Gen Bipin Rawat, Chief of Army Staff, released the book 'Across the Bench - Insight into the Indian Military Judicial System'. Name the author of this book?**

- (a) Lt Gen Gyan Bhushan
- (b) Harinder Singh
- (c) Sumit Rawat
- (d) Lt Gen Aman Mittal
- (e) None of these

Answer - (a) Lt Gen Gyan Bhushan Explanation: ' Across the Bench - Insight into the Indian Military Judicial System' has been written by Lt Gen Gyan Bhushan. Lt Gen Gyan Bhushan is a former Army Commander and Member 'A', Armed Forces Tribunal, Lucknow Bench. The book speaks on military judicial system, command and management issues in the military establishments and issues related to veterans, their families and dependents.

**42. Indian Prime Minister Narendra Modi and Nepal Prime Minister K P Oli jointly inaugurated a direct bus service between Janakpur (in Dhanusa District of Nepal) and \_\_\_ in Uttar Pradesh?**

- (a) Lucknow
- (b) Agra
- (c) Ayodhya
- (d) Meerut
- (e) None of these

Answer - (c) Ayodhya Explanation: Both, Janakpur and Ayodhya are two sacred cities for Hindus. The bus was flagged-off by PM Modi after visiting and offering special prayers at the famed 20th century Janaki temple, dedicated to the Hindu goddess Sita. Janakpur is known as the birth place of Sita (the wife of Hindu Lord Rama). Janaki temple was built in memory of Sita in 1910. The bus service is a part of Nepal-India Ramayana Circuit launched by both the PMs to further strengthen the close religious and cultural ties between the two countries and peoples.

**43. As per the report RemitSCOPE - Remittance markets and opportunities- Asia and the Pacific, India was the largest remittance-receiving country in the world, with migrant workers from India sending home \_\_\_ in 2017?**

- (a) USD 230 billion
- (b) USD 69 billion
- (c) USD 23 billion
- (d) USD 88 billion
- (e) None of these

Answer - (b) USD 69 billion Explanation: It states that remittances to the Asia-Pacific region amounted to US 256 billion in 2017. The report was released by the International Fund for Agricultural Development (IFAD). Pakistan (USD 20 billion), and Vietnam (USD 14 billion) have also featured in the top 10. Nearly 70 % of remittances sent to Asia and the Pacific are from outside the region especially from the Gulf States (32 %), North America (26 %) and Europe (12 %). Nearly USD 6 trillion in remittances are expected to be sent to developing countries by 2030. More than half of these remittances will be sent to the Asia Pacific regions, mainly to small towns and villages. These remittances represent 53 % of flows worldwide, with a growth of 4.87 per cent since 2008.

**44. Where was the First workshop on Ayushman Bharat Program held on May 14, 2018?**

- (a) Shimla, Himachal Pradesh
- (b) Chennai, Tamil Nadu
- (c) Mumbai, Maharashtra
- (d) Nagpur, Maharashtra
- (e) None of these

Answer - (a) Shimla, Himachal Pradesh Explanation: The workshop was addressed by Union Health Minister J P

Nadda. A memorandum of understanding (MOU) was signed between Himachal Pradesh, Uttarakhand, Jammu and Kashmir and Chandigarh during the course of this workshop. Ayushman Bharat Scheme was approved by the Union Cabinet on March 21, 2018 with budgetary support of Rs 10500 crore. Under this scheme, Government has set a target to set up 1.5 lakh wellness centres by 2022 to deliver comprehensive primary healthcare. Other component of this scheme is to provide insurance cover to most deprived Indian population.

**45. ICBC, a state-run Chinese bank has launched ICBC Credit Suisse India Market Fund, China's first India-dedicated publicly offered investment fund. Expand ICBC?**

- (a) Industrial and Commercial Bank of China
- (b) Innovation and Commerce Bank of China
- (c) Information and Civic Bank of China
- (d) Investment and Commerce Bank of China
- (e) None of these

Answer - (a) Industrial and Commercial Bank of China  
Explanation: The fund will invest in exchange-traded funds listed on more than 20 exchanges in Europe and the US that are based on the Indian market. ICBC is pitching this fund to investors stating that Indian market offers the best opportunity for Chinese investors due to the prospects of double-digit growth. Interestingly, this fund has been launched within a fortnight after the first ever informal summit between Prime Minister Narendra Modi and Chinese President Xi Jinping at Wuhan.

**46. Which country will host the upcoming 2018 BIMSTEC Summit (Bay of Bengal Initiative of Multi-Sectoral Technical and Economic Cooperation Summit)?**

- (a) India
- (b) China
- (c) Nepal
- (d) Bangladesh
- (e) None of these

Answer - (c) Nepal  
Explanation: On 12th May, Nepal's Prime Minister KP Sharma Oli announced that Nepal will be the host for the upcoming 2018 BIMSTEC Summit. This was announced during the bilateral talks between the Prime Minister of Nepal and India on commitment towards building the Bangladesh-Bhutan-India-Nepal initiative.

**47. On 12th May, renowned wildlife photographer \_\_\_\_\_ unveiled her book 'Hidden India' in New Delhi?**

- (a) Pritika Singh
- (b) Latika Nath
- (c) Namrata Karath
- (d) Malvika Sitlani
- (e) None of these

Answer - (b) Latika Nath  
Explanation: On 12th May, renowned wildlife photographer Latika Nath unveiled her book 'Hidden India' in New Delhi. 'Hidden India' is a coffee table book that comprises of all the photographs of some of her "closest wildlife encounters" as per a statement. The proceeds from this book will go to the Wildlife SOS Elephant Conservation and Care Centre which would promote protection of Indian Elephants.

**48. On May 13, 2018, President Ram Nath Kovind launched Bhairon Singh Shekhawat Antyodaya Swarojgar Yojana, Sundar Singh Bhandari EBC (economically backward class) Swarojgar Yojana and Rin Maufi Yojna of which State Government?**

- (a) Punjab
- (b) Assam
- (c) Haryana
- (d) Rajasthan
- (e) None of these

Answer - (d) Rajasthan  
Explanation: On May 13, 2018, President Ram Nath Kovind launched Bhairon Singh Shekhawat Antyodaya Swarojgar Yojana, Sundar Singh Bhandari EBC (economically backward class) Swarojgar Yojana and Rin Maufi Yojna of Rajasthan State Government. Bhairon Singh Shekhawat Antyodaya Swarojgar Yojana: loans of up to Rs 50000 on 4% cent interest will be given to Scheduled Castes (SC), Scheduled Tribes (ST) and Other Backward Class (OBC) families for self-employment. Sundar Singh Bhandari EBC (economically backward class) Swarojgar Yojana: a loan of Rs 50000 on 4% interest will be given to economically backward families of the general category. NIMHR will be the first of its kind in the country in the area of mental health rehabilitation. The main objectives of the NIMHR are to provide rehabilitation services to the persons with mental illness, capacity development in the area of mental health rehabilitation, policy framing and advanced research in mental health rehabilitation. The Institute will have nine Departments/Centres and will conduct 12 courses to offer diploma, certificate, graduate, post graduate, M.Phil degrees in the area of mental health rehabilitation. Within a span of 5 years, the student intake of the institute in various courses is expected to be over 400.

**51. Where will the first ever International Rail Coach Expo (IRCE) focusing on Rail Coaches and train sets will be held from 17th to 19th May, 2018?**

- (a) Chennai (b) Hyderabad  
(c) Kochi (d) Raipur  
(e) None of these

Answer - (a) Chennai Explanation: Objective of the expo is to bring reputed rail car, equipment builders and suppliers under one roof and create synergy for "Make in India". The Expo will be hosted by Integral Coach Factory, in coordination with CII (Confederation of Indian Industries) and RITES Ltd. 100+ exhibitors from 10+ countries will participate in this expo. Conferences/seminars on specialized subjects on Rail Coach and Train sets will also be conducted during the course of this expo.

**52. Where is India's first railway station run by solar power located?**

- (a) Bhopal, Madhya Pradesh  
(b) Guwahati, Assam  
(c) Ahmedabad, Gujarat  
(d) Hyderabad, Telangana  
(e) None of these

Answer - (b) Guwahati, Assam Explanation: The project of installing solar panels was commissioned in April 2017. Nearly 2352 solar modules with a capacity of 700 kw has been set up over the roof of the Guwahati railway station. The solar-powered station aims to reduce carbon-footprint and also to reduce power costs. Nearly, 6.3 lakh kg carbon dioxide emissions have been reduced from 12th April 2017 to 10th May 2018. The estimated project cost is Rs 6.7 crore. The solar power plant will save Rs 67 lakh worth of electricity.

**53. Which bank will sell 8.26 % stake in Universal Somo General Insurance to Dabur Investment Corporation and Somo Japan?**

- (a) Canara Bank (b) Corporation Bank  
(c) Karnataka Bank (d) Andhra Pradesh  
(e) None of these

Answer - (c) Karnataka Bank Explanation: This transaction is waiting for approval from Insurance Regulatory and Development Authority of India (IRDAI). After this transaction, Karnataka Bank's stake in the general insurance company will reduce to 6 percent from the current 14.26 percent. **56. Smaller towns are driving growth for SBI Cards (a subsidiary of State Bank of India) which has been increasing its card numbers at a CAGR of 40%. What does "C" represent in CAGR?**

- (a) Commercial (b) Complex  
(c) Compounded (d) Capital  
(e) None of these

Answer - (c) Compounded Explanation: In terms of spending, Cardholders in centres outside the top 10 cities account for 45% of spending. Primary reason behind this surge is the penetration of mobile-phone internet which accounts for 20% of spending from smaller towns. SBI cards, the second-largest credit card issuer after HDFC Bank currently holds 16% market share (in terms of

number of cards) and is the only stand-alone credit card company in India.

**57. With an objective to conserve water, the Bhusawal Division of Indian Railways has fitted specially designed aerators in basin-taps of which train?**

- (a) Shatabdi Express (b) Rajdhani Express  
(c) Duronto Express (d) Tejas Express  
(e) None of these

**Answer - (d) Tejas Express** Explanation: The aerators have minute pores that break the stream of incoming water into fine water sub-streams. This phenomenon discharges an optimal amount of water to be utilised for cleanliness and thus reduces excess water flow. Tejas Express is a high speed (200 kmph) air-conditioned train equipped with several ultra modern facilities onboard.

**58. Union Commerce and Industry Minister Suresh Prabhu has given his approval for creation of DGTR in Department of Commerce. What is the full form of DGTR?**

- (a) Directorate General of Trade Relations  
(b) Directorate General of Trade Remedies  
(c) Directorate General of Trade Reassurance  
(d) Directorate General of Trade Records  
(e) None of these

**Answer - (b) Directorate General of Trade Remedies** Explanation: DGTR will be the top National Authority for dealing in all trade remedial measures including anti-dumping, countervailing duties and safeguard measures. Directorate General of Anti-dumping and Allied duties (DGAD), Directorate General of Safeguards (DGS) and Safeguards functions of Directorate General of Foreign Trade (DGFT) will be merged into a single national entity and will be placed under DGTR. This merger will save 49 posts to the Government. DGTR will also provide trade defence support to Indian exporters in dealing with increasing instances of trade remedy investigations instituted against them by other countries.

**59. Reserve Bank of India (RBI) has released final guidelines prescribing 100 percent NSFR for banks aimed at maintaining adequate liquidity for more resilience. Expand NSFR?**

- (a) Net Sustained Funding Ratio  
(b) Net Stable Finance Ratio  
(c) National Statutory Funding Ratio  
(d) Net Stable Funding Ratio  
(e) None of these

**Answer - (d) Net Stable Funding Ratio** Explanation: NSFR is a long-term liquidity measurement included in the Basel III liquidity standards. It is defined as the amount of available stable funding (ASF) relative to the amount of required stable funding (RSF). A portion of capital and liabilities which has been assessed to be reliable over a year is referred to as ASF, while RSF is bank's liquidity position required to honour maturities of the various assets and other off-balance sheet exposures. RBI's 100 per cent

NSFR guideline requires banks to fund their activities with more stable sources of funding on an ongoing basis.

**60. On 17th May 2018, Vice President of India, M. Venkaiah Naidu released two books namely 'A Treatise on Cleanliness' and 'Waste Management, an Introduction', written by \_\_\_\_, in New Delhi?**

- (a) Aman Singh (b) Vasuki Soni  
(c) Rajat Bhargava (d) Nandhini Bhalla  
(e) None of these

**Answer - (c) Rajat Bhargava** Explanation: M. Venkaiah Naidu said that it is apt that the author has selected these subjects at a time when India is going through a phase of growth and development. He said that 'Swachh Bharat Abhiyaan' is contributing a lot to make India a clean country.

**61. On 19th May, which country unveiled the world's first floating nuclear power station named Akademik Lomonosov?**

- (a) Japan (b) China  
(c) Russia (d) Germany  
(e) None of these

**Answer - (c) Russia** Explanation: This is called Akademik Lomonosov was built by Rosatom in Saint Petersburg. It is a 144 by 30 metre (472 by 98 foot) ship holds two reactors with two 35 megawatt nuclear reactors. It is a 21,000-tonne barge that will produce enough electricity to power a town of 200,000 residents, far more than the 5,000 live in Pevek, Russia. The floating reactors can save 50,000 tonnes of carbon dioxide emissions per year.

**62. Name the person who was appointed secretary to the information and broadcasting ministry, on 18th May 2018?**

- (a) Vinay Kumar (b) Amit Khare  
(c) Sanjay Gupta (d) PK Agarwal  
(e) None of these
